

Strategic Plan Priorities

Provide Access to Information

Community members believe the libraries are trustworthy resources which provide reliable information and enjoyable entertainment.

Books & Materials
Technology
Library Open Hours

Encourage Lifelong Learning

The libraries enrich the lives of community members and are seen as important and convenient places to learn.

Student Success
Personal Enrichment
Technology Education
Staff Training

Connect the Community

The libraries are known to be valuable places for discussion, community building, and personal connection.

Community Hub
Partnerships
Outreach
Volunteerism

Ensure Financial Stability

Community members know how the libraries are funded and they believe their tax dollars are spent carefully for a worthy cause.

Trustworthy
Transparent
Long Term Security
